

## #721 Mercedes-Benz of Music City - Custom Waterfall

### PRODUCT DETAILS

- Free-Floating
- Standard Single Panel
- Color Changing Lighting
- Stainless Steel Mesh
- Price range: \$61,000-\$100,000
- Corporate venue

### DESCRIPTION

Architect Marks Alexander of Praxis 3 specified this custom waterfall for the interior showroom at Mercedes-Benz of Music City. The inimitable stainless steel mesh pattern creates a dynamic visual, as the light and texture move down the panel. The custom waterfall features a brushed stainless steel frame and free-floating, standard single panel frame style. Browse through our extensive portfolio to see other custom waterfall options for your next design project.
