

#753 The Yards - Outdoor Reflection Pool

PRODUCT DETAILS

- Price range: \$26,000 - \$60,000
- Underwater Lighting
- Built-In Tile Feature
- Residential

DESCRIPTION

This lush garden is home to a reflection pool designed for The Yards- Parcel N in Washington D.C. This stunning installation includes a sleek, black powder-coated reflection pool with two pillars. The combined length of the reflection pools spans 17 feet, while maintaining a width of 20 inches. The water gracefully spills over into the floor, disappearing underground to be collected and reused. This innovative design combines aesthetics, functionality, and sustainability to create a captivating water feature that enhances the surrounding space.

LOCATION: Washington, D.C.

DIMENSIONS: 17' L x 21" W
