DESCRIPTION

Experience Bluworld of Water's masterful work at Heartis Senior Living in Atlanta, GA. Their installation showcases three Vertical Multi-Panels with brushed stainless steel frames and scored white acrylic surfaces, resulting in a captivating tiger-stripe water pattern. The addition of spillovers not only enhances aesthetics but also creates a soothing waterfall sound as water gracefully flows into a meticulously tiled mosaic pool. Bluworld's artistry and engineering unite to elevate the ambiance of the senior living lobby.
